

TEXAS GULF COAST SOCIETY FOR
PARENTERAL AND ENTERAL NUTRITION

A Chapter of the American Society for Parenteral and Enteral Nutrition

Invites you to attend the June ASPEN Webinar Promoting Safety of the PN Use Process Through Nutrition Support Competencies

Thursday, June 7, 2018

1:00 pm - 2:30pm CST (Registration starts at 12:30 pm)

Location: MD Anderson Basic Science Research Building (BCRB) Room S1.8003a – 3rd floor
(Building next to The Commons)

*Signage with directions will be posted the day of the event

Description:

This webinar will focus on strategies for ensuring competency in PN ordering, order review and verification, compounding, and administration to patients. It will also discuss methods of evaluating the competency of clinicians involved in providing PN within an institution.

Learning Objectives:

1. Identify procedures for PN ordering, order verification, compounding, and administration that promote safe PN practices.
2. Describe risk mitigation strategies for PN ordering, order verification, compounding, and administration
3. Construct a method to assess and maintain competency for clinicians involved in providing PN

Faculty and Topics:

Competency in the Pharmacy with Parenteral Nutrition

Joseph Boullata, PharmD, RPh, BCNSP, FASPEN, FACN, Pharmacy Specialist in Nutrition Support, Hospital of the University of Pennsylvania and Clinical Professor, Department of Nutrition Sciences, Drexel University, Philadelphia, PA
